

MODEL FARMS HIGH SCHOOL

"Achieving Personal Excellence Through Quality Teaching"

Uniform Policy

Full school uniform is compulsory and strictly enforced.

The Model Farms High School uniform promotes the school's image in the general community. If students value themselves and the community values the school, our references and reports will be a major advantage in seeking employment. Uniforms are also worn to comply with safety standards in practical areas and to train students in expectations in their future employment. If an intruder does enter the school, they will be very obvious.

It is in the best interests of the school and students alike that full school uniform be worn to school at all times. School uniforms are designed to be neat, practical and of good quality. They help a student to maintain high personal standards, high self-esteem and they help promote and enhance school pride and school tone.

Any student who must come to school out of full uniform should have a note from home. This will only happen in exceptional circumstances. This note is handed in before school to a Head Teacher and a uniform pass will be issued. Students who fail to follow this procedure will be placed on a lunchtime detention.

Students are required to change into PE gear for any PE classes. Students are NOT to wear their sport clothes to and from school unless it is a Sports Day.
