Sports Uniform is to be worn to school on Sports Day each week.

- Year 7 Sport Day is Friday
- Years 8 - 10 Sport Day is Wednesday

During the week, students will also participate in PDHPE lessons. On these days, students will arrive at school in their full school uniform and change into their sports uniform for the lesson. *Due to the present restrictions, changing rooms are currently closed and students are permitted to wear their sports uniform to school on the days they have PDHPE on their timetable. This may change, but please take this into consideration when purchasing sports uniforms.*

School Hats are not compulsory but strongly recommended as a sun safe addition to the school uniform. The school cap is made from recycled products and is therefore eco-friendly.

Apron is compulsory for Food Technology classes.

Book Packs contain all the stationery requirements as required by each subject, excluding the calculator (purchased separately). Available in limited supply for Years 7 & 8.
