13th December 2019

Term 4 - Week 9

FROM THE PRINCIPAL

Student Success

Congratulations to all of our students who were rewarded for their effort and achievement at our Recognition Assemblies and Presentation Evening. The array of talented students at Model Farms is extensive and it was wonderful to see parents, grandparents, friends and family sharing the successes of our students on these occasions.

Planning for 2020

Our work towards a smooth transition into the 2020 school year is well underway. The timetabling process takes approximately a term to complete as it is a complex task assigning students into classes, teachers into rooms whilst ensuring curriculum offerings and timings are appropriate and supportive to maximise learning opportunities. I am pleased to inform you that we are now at the point of a fully functional timetable for the New Year.

The building work on our basketball courts and covered area is progressing well. We look forward to utilising this space early in 2020.

Skin Cancer Awareness

As we move into the summer months, I would like to take this opportunity to remind everyone of the need to be sun safe whilst at school and outside during the vacation period. Australians of all ages are urged to use the five forms of sun protection. These are to:

- slip on sun-protective clothing
- slop on SPF30 (or higher) broad-spectrum, water-resistant sunscreen
- slap on a broad-brimmed hat
- seek shade
- slide on sunglasses.

A combination of these measures, along with getting to know your skin and regularly checking for any changes, are the keys to reducing your skin cancer risk. Further information is available through the [link here](#).

Thank you

I would like to particularly thank the wonderful contributions of both the School Council and P and C, led by both Nick Akon and Belinda Schuster. It has been a very enjoyable year at "the Farms", seeing so many of our students thrive and achieve their personal best. Belinda and Nick have been wonderful advocates of the students, the school and the community as a whole and I thank them for the contributions they have made throughout the year.

I would like to take this opportunity to thank our community for supporting the school in 2019. We do appreciate your assistance, and the opportunity to work together to provide a high quality education and experiences for your child. A school can never achieve its best without the support of its families and the wider community.

Model Farms High School is so fortunate to have the students, staff, parents and community that we do. Every generation that comes through our school seem to find a way to raise the bar even higher. For this reason, it has been an absolute pleasure to be at the helm of such a magnificent school.

I would like to wish students, staff and parents a very merry Christmas and a relaxing and safe holiday and look forward to working with all of you again in 2020.

Best wishes

Mark Grady
Principal

FROM THE DEPUTY PRINCIPAL – MS PLEDGER

Year 7 Orientation

Over 200 Year 6 students joined us for Orientation Day. The day proved to be a terrific day for all, as they explored the school, met their Peer Support Leaders for the first time and finished their visit with a sausage sizzle. Many parents reported that their children were a little nervous in the morning but were all much more confident and happier by the afternoon.

A big thank you to the Year 10 Peer Support Leaders who, under the leadership of Ms Hoy, spent a lot of time to ensuring the delivery of a high quality product that engaged all the students on the day. The Peer Support Program not only allows our new members of the Model Farms community to get to know some friendly faces, but it allows our students to build their leadership abilities. It is amazing how some of our quiet and unassuming students are able to shine during these programs.

I would also like to thank the 2020 Year 7 Year Adviser, Ms Papas, for her organisation of a fantastic day. We are looking forward to getting to know our new Year 7 students in 2020.

2020 Return to School

Years 7 and 12 – Return on Wednesday 29th January

On this day Year 7 and 12 will be provided with a sausage sandwich for lunch. As Year 12 no longer participate in sport they will be allowed to go home at the beginning of sport.

On Wednesday afternoon Year 7 will be participating in sport activities. They are to wear their sports uniform to school.

Year 11– Return on Thursday 30th January.

Years 8, 9 and 10 – Return on Friday 31st January

Uniform Reminder for 2020

The P&C and the wider Model Farms community strongly support the wearing of the school uniform. Before parents purchase any uniform items I urge parents to use the uniform shop to ensure that the purchased items will definitely be approved by the school. The Department of Education has very clear guidelines on what is appropriate footwear. To help parents avoid any confusion I have included images of what is approved footwear in this newsletter. Also to further help parents, information about uniform and footwear is also available on the school website. To avoid students getting into unnecessary trouble next year please support the school when purchasing uniform for 2020. I thank you all in advance for your support.

The most common items that our students wear that are NOT uniform are:

- Undershirts
- Black socks – only white socks are allowed on any school day
- Non-leather shoes on both boys and girls
- Black shorts on sports days

Sometimes our young people tell their parents that, "It doesn't matter" or "That everyone is wearing these." It does matter and most students do not breach the uniform requirements. Please support us in maintaining our positive public image and strong school spirit that wearing correct uniform engenders. Your cooperation in this important matter will be appreciated.

Illustrative Guide to Assist in the Purchase of Acceptable School Shoes	
	Acceptable Boys' Shoes: Features: <ul style="list-style-type: none">- Black leather- Laced or Velcro- Upper foot protection- Non-slip sole
	Unacceptable Boys' Shoes: Features: <ul style="list-style-type: none">- Splashes of colour/white (shoes must be totally black, <i>inc.</i> shoelaces and sole)- Canvas upperE.g. Ruben's
	Acceptable Girls' Shoes: <ul style="list-style-type: none">- Leather upper providing protection to the majority of the upper foot- Laced (preferred) or strapped*(leather strap)- Heal and sole with non-slip grip
	Unacceptable Girls' Shoes: <ul style="list-style-type: none">- The majority of the upper foot is unprotected.- Smooth sole with little grip- No/token heel- Thin/soft leather offering little protection.- Ballet flats are not acceptable
Sports Shoes 	 Acceptable Sports Shoes <ul style="list-style-type: none">- Lace up/Velcro (no slip ons)- Covers all of the top of the foot- Provides arch support and sole protection

** Students undertaking practical based subjects need to wear lace-up shoes that protect their feet against drops and spills. WHS requirements may result in students who are not wearing shoes with sufficient protection being excluded from some practical activities. If in doubt, please purchase lace-up shoes.*

The Uniform Shop Opening hours:

- The Last Day of Trading for 2019 is **FRIDAY, 6 DECEMBER**
- Open on **SATURDAY 11, JANUARY 2020** from 9.00 am – 1.00 pm
- Uniform Shop will **NOT** be open on the first days of school 2020
- Uniform Shop **RE-OPENS** - Friday 31 January 2020
- All uniform requirements **MUST** be purchased prior to school starting

I would like to take this opportunity, again, to thank all the staff at Model Farms High for all their hard work over this very busy year. I would also like to wish everyone in the Model Farms community a Happy and safe Christmas.

Jennifer Pledger
Deputy Principal

FROM THE DEPUTY PRINCIPAL – MS KENNON

As we approach the end of the year, it is time to reflect on the year that was.

Year 7

Congratulations on the completion of your first year of high school. For some students it has been a challenging year, developing new friendships and settling in to new routines. For others it has been a year of new and exciting ventures. For all students, however it has been a year of growth and I have enjoyed witnessing the many successes of the students throughout the year across all areas of school life.

Year 9

Year 9 students have had a great year; studying their elective choices for the first time. The majority of students have settled in well with their choices and have made excellent progress. Year 9 is often a 'middle' year; getting used to a new pattern of study, changing class groups for each subject and making new friends. Next year in Year 10, students will need to consolidate their study habits and work towards the achievement of their ROSA. I am also pleased to report that the Year 9 camp was a great success. By all reports the students had a wonderful time and the weather was perfect! Thank you to Ms Owen for all her hard work in organising the camp and to all the teachers who gave up their time to attend.

Year 11

Well done on the completion of your preliminary studies. Students have now commenced their HSC course and the assessments have started. Remember the key to success is being organised. Listen to the feedback from your teachers, reflect on the efforts you made throughout the year, set your goals high and develop a realistic plan to achieve them.

Recognition assembly

Last week, we celebrated and rewarded the successes of our students at our Recognition Assembly. Students were acknowledged for their achievements academically, on the sporting field and citizenship. It was wonderful to see so many parents joining us in this celebration. Masters of Ceremony Callum Brown, Year 7 and Alyssa Westwood from Year 9 did an outstanding job and we also witnessed some exceptional musical talent from Maddy Lennox, Aly Price and Jessy Hotait from Year 7 and Linsay Park and Daniel Kwuen from Year 9. Thank you to the Year Advisers Ms Battistella and Mrs Owen for your hard work and commitment to Years 7 and 9 and the great organisation of today's event.

I would like to take this opportunity to wish you all a Merry Christmas and a safe and relaxing holiday. I look forward to working together to make 2020 an enjoyable and successful year.

Enjoy the remainder of the term,

Mrs K Kennon
Deputy Principal

2020

TERM 1

 Yr 7 Big Fish Little Fish periods 5 and 6
 Yr 7 Best Start

FROM CREATIVE AND PERFORMING ARTS FACULTY

DANCE

Thank you to the awesome Year 7 students who performed at our Year 6 Orientation Day Assembly: Natasha V, Sophie W, Jessie H, Mollie R, Terry E and Annabelle H. Well done girls and I hope to see you back next year in our Year 8 Dance Group.

Looking forward to 2020, we will be running extracurricular dance groups for our Year 7 and Year 8 students. This will be every Wednesday afternoon at the conclusion of Sport from 2:40-3:40 and are led by our capable Dance Leadership Team. Participation is free and the students are given performance opportunities such as FAME, formal assemblies and Year 6 Orientation Day. More information will be given to students early next year.

The Model Farms Dance Ensemble will also run next year across several lunches each week. I was impressed by the level of talent and skill I observed during the audition process and would like to congratulate the following successful students: Natalia B, Mollie R, Chelsea K, Elyssa C, Chloe R, Annika N, Ilana S, Lizzy D, Maddie K, Charlotte K, Annabel B, Maddie W, Zara P, Amy B, Chelsea C and Katherine D.

I have been overwhelmed with interest from our mature dance students wishing to be involved in Dance Leadership. They are fabulous mentors for our younger students and throw themselves at opportunities to work with our Support students. It is a joy to have this experience, generosity and inclusivity amongst the student body here at The Farms.

A useful website and FB page for parents of dancers:

<https://www.artsunit.nsw.edu.au/dance>

Enjoy your Christmas break and Dancers keep moving!

FROM THE MATHEMATICS FACULTY

Congratulations to the following Maths merit recipients:
Year 7 - Victoria H, Jack W

We have almost reached the end of another busy year. Students are reminded that the work they are currently doing in their Mathematics classes is important preparation for their studies in 2020.

Buying Textbooks for 2020

- **All years** will need to buy their own Mathematics textbooks for 2020. Students will soon receive their Five Senses note with instructions of how to purchase their Mathematics textbooks for next year.
- **Year 6 into Year 7 students** have received instructions in their information pack.

'Textbook Round-Up' for School Issued Textbooks

In the last few weeks of school we need to collect all of the textbooks that we have issued during the year for Years 9 and 10, 2019. Please look around your home to see if you have any Model Farms Mathematics textbooks and return them this week. If your student has not returned the textbook that was allocated to them this year, you will be asked to pay for its replacement.

Ideas for Christmas Stocking Fillers:

School stationery and equipment can make really practical stocking fillers. Examples are: good quality geometry sets (can cost up to \$18 at Big W, Office Works or at newsagents), or items as simple as pens and pencils, rulers, textas and colouring pencils.

Calculators:

Please make sure that all students have their own calculator. The Casio fx-82AU PLUS II is sold at the uniform shop for \$35. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use the different functions.

Fun with Maths at Christmas

We would like to wish all of our students and their families happy and safe school holidays. Don't forget to look for the mathematics in the 'real world' situations that you are engaging in as a family at this time:

- Travel times, petrol usage and distances for trips in the car.
- Time differences if you are travelling across time zones.
- Estimating how much wrapping paper that you will need to wrap different sized presents (and how much sticky tape you will need!).
- Calculating how much your Christmas cards and parcels will cost to post.
- When cooking with your family, remember to engage them in measuring, estimating, capacity and volume. Also scheduling of cooking so that everything is ready to serve at the same time.

**Wishing you a Merry Christmas and Happy New Year from
Mr M Dawson
and the Maths Faculty Staff**

FROM THE WELFARE FACULTY

Rock and Water

During Term 4, 13 Year 8 boys were part of Rock and Water – a program that focuses on anti-bullying strategies, self control and self discipline. The program was run by Mrs Simone Brown, one of our school chaplains, and assisted by Mr Colefax (Assistant Year 8 Advisor) and Mrs Gab Martin (school chaplain).

The boys were instructed in techniques to deal with conflict, both physical and non-physical, with the goal of ensuring that they were in control of their own actions.

On Monday 9th December, in the final session, Mr Grady presented the boys with Certificates of Excellence and Certificates of Participation for completing the program.

The boys involved in the program were:

Joshua A
Ethan C
Jack G
Neel K
Cooper S
Jayden W
Mitchell Z

Samir A
Nathan D
Ben G
Ben P
Dylan V
Xander W

FROM THE SCIENCE AND AGRICULTURE FACULTY

Our Gifted and Talented Year 8s at WSU

On the 3rd of December, 30 of our talented year 8 students attended Western Sydney University. Students were able to complete 13 different experiments and demonstrations in three exciting labs sessions. The day was enjoyed by all our budding scientists!

Year 8 Incursions a Case of Identity

On the 5th of December year 8 students engaged in a hands-on science incursion. Students acted as forensic scientists to examine and analyse crucial pieces of evidence from the scene of the crime. Acting as a detective, students use their critical and creative thinking skills to piece together the story of what happened to the missing girl.

The case explored the importance of cyber safety with social networks, the danger of drink spiking and the consequences of taking risks.

Students enjoying the incursion Case of Identity

Spectacular Science

On Wednesday 20th of November Year 7 students went on the Spectacular Science excursion at Sydney University.

Students learnt about microbats, played with liquid nitrogen, made slime, watched cool chemical reactions and searched for bugs under the microscope.

Students being informed all about bees

Have a safe and great Holiday!!!!

From the Agriculture and Science Faculty.

FROM THE PDHPE FACULTY

CONGRATULATIONS to Cameron M of Year 11. He competed at the Australian All Schools Athletic Championships, winning a Silver Medal in the U18 Para Discus. He also competed at Long Jump and Shot Put. Another outstanding achievement from Cameron this year was winning the Gold Medal in the Alpine Event at the Disabled Winter Sports SSA Interschool Snowsport Championships. Well done!

CONGRATULATIONS also to Vanessa A of Year 8 who placed 2nd in High Jump at the Australian All Schools Athletic Championships in Perth. She accomplished a new PB of 1.69 metres!

Josh H of Year 7 has recently achieved fantastic results in the National All Styles Martial Arts - NSW Tournament

12-13 Years Forms (Kata)
Gold - State Champion

National All Styles Martial Arts - National Tournament
Competing against competitors from across Australia

12-13 Years Forms (Kata)
Bronze

Summer Grade Sport Finals

Congratulations to all students who have participated in Grade Sport this term. We have had a very successful summer season with 14 out of a possible 18 teams competing in the final events. Once again, Model Farms has dominated in The Hills competition and we are exceptionally proud of our sports people.

Weekly House Sport Competition

2019 was the inception of our new House Sport Competition. We are pleased to announce the overall winning House is **PEEL**. Congratulations on all Peel students whose enthusiastic participation and skill has awarded them this number one place.

Keep up to date with Sport:

UNIFORM SHOP

Trading Days and Hours

Monday, Wednesday and Friday
8.10 am until 9.00 am

Payment Options

Cash - Eftpos - Visa - Mastercard - Qkr

~~~~~.

# **UNIFORM SHOP**

# **INFORMATION**

The Uniform Shop is run by the P&C Association and therefore separate from the school. All payments in relation to uniforms, book packs and any uniform related matters are required to be made directly to the Uniform Shop, NOT the school office.

Payments using the Parent Online Payment (POP) service are NOT permitted and CANNOT be used for Uniform Shop purchases at any time.

If you wish to pay on-line please register and use the QKR application.  
Students will still need to collect items from the Uniform Shop.

The Uniform Shop is conveniently open so that Students can try on and purchase their requirements themselves. It is important to note that our uniform items are not standard sizes and need to be tried on.

Please note that phone orders are not accepted.

The Uniform Shop is open Monday, Wednesday and Friday mornings from 8.10 until 9.00 am. The accepted forms of payment are cash and eftpos transactions and on-line via the QKR app.

If your child is running late and needs items relative to the Uniform Shop please advise them to still come to the shop.

There are measures in place to deal with this situation and they will not be marked as late or absent.

Thank You

# MODEL FARMS HIGH SCHOOL
