

# Year 11 and 12

## 2024 Book and Equipment List

Students are required to present to class each period with the following essential items:

Blue pen, black pen, red pen, HB pencil, Sharpener, Eraser, 30cm ruler (NOT metal), Glue stick, Scissors, Correction tape (optional), Homework diary, Coloured pencils.

*Books: It is expected that all books are to be covered, are maintained in a good condition and repaired, if necessary, by the student.*

*ALL subjects in the Preliminary and HSC course require students to have an A4 Exercise book for each course studied. It is recommended that students begin a new book for each major topic area. In this way the chance of students losing books containing all their notes is dramatically reduced.*

**ALL students are expected to bring a fully charged laptop daily**

### **Agriculture**

- 128 page A4 workbook

### **Art**
